

661878 Sizzix® Thinlits™ Die Set - Birdcage Favor Box by David Tutera™

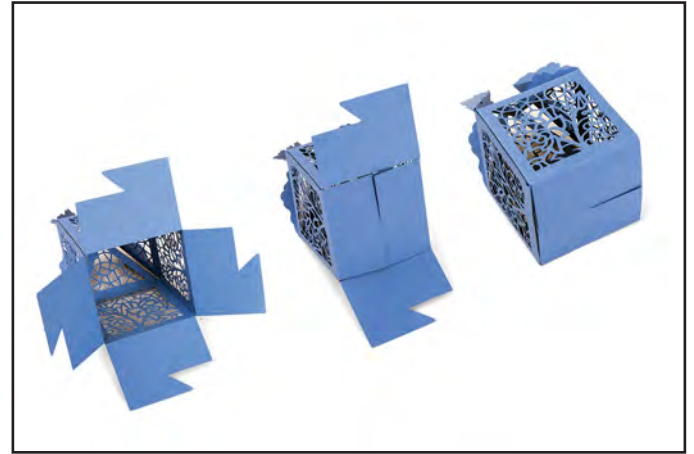

1. Die-cut from desired material, and apply adhesive to the side tab of each panel.

2. Adhere all panels together.

3. Fold all creases prior to adhering the final tab.

4. Adhere the final tab to the corresponding edge. Lock both sets of bottom flaps by inserting the pointed tabs under each other.

5. Lace ribbon or string through the slots at the top of the box, and embellish as desired.
