

# 661906 Sizzix® ScoreBoards™ XL Die - Journal by Eileen Hull®

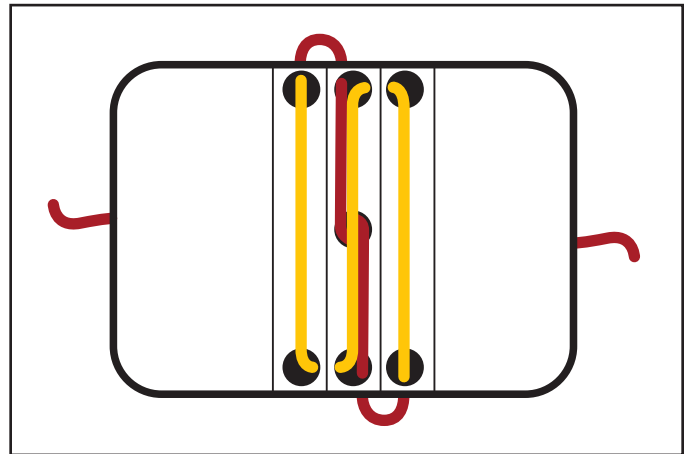

1. Die-cut out of mat board, and apply adhesive as shown.

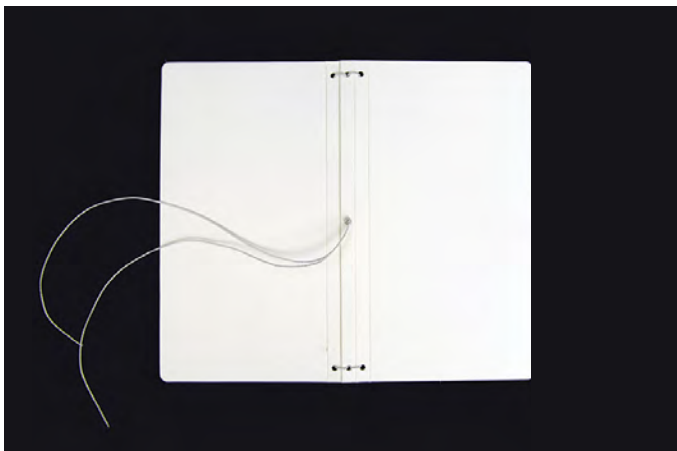

2. Overlap the center spine flaps of each side, and adhere them together.

3. Lace elastic string through the spine holes as shown.

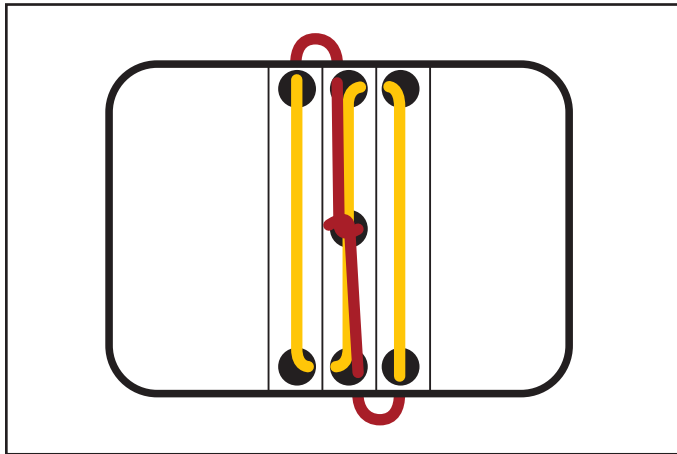

4. When using elastic string as the closure, tie the string in a knot on the outside of the folder.

5. Tie off the elastic on the outside of the Journal, tight against the spine.

6. Tie a second knot in the elastic, and stretch it over the Journal to close.

7. When using the clasp closure die-cut on the die, do not lace the elastic string out through the center of the spine. Tie the elastic string in a knot on the inside of the Journal.

8. Attach the clasp with adhesive or a large brad.

9. Apply either hook and loop material or magnets to the clasp.

10. Secure the clasp.

11. Insert pages by sliding them beneath the elastic string.
