

# 662399 Sizzix® Framelits™ Die Set - Large Rose by David Tutera™

1. Fold desired material in half.

2. Die-cut with the edge of the die slightly overhanging the fold.

3. Die-cut the number of pieces as shown.

4. Shape the petals with the Crease & Curl™ Tool.

5. Shape the stamen with the Crease & Curl Tool.

6. Adhere the flower layers together from the bottom up, alternating the petals.

7. Adhere the stamen to the center of the layered flower and the leaves to the bottom of the flower.
